Local McDonald's® Unveils Newly Renovated Restaurant
*New and exciting changes at McDonald's of
New Castle*

NEW CASTLE, PA (October 19, 2011) – This Saturday the McDonald's® in New Castle invites customers to come and enjoy a brand new dining experience at the newly renovated restaurant.

The renovated restaurant features a new, modern design with all of the most up-to-date McDonald's® technology. The beautiful new interior includes a completely redesigned décor from the new kitchen area to the larger dining room that has a contemporary design and comfortable seating. Other new attributes include the addition of the beverage bar and flat screen televisions.

The outside also received a makeover with a modernized building shape finished with red brick and stacked stone walls complete with fresh landscaping. A new double lane drive-thru has also been installed to increase convenience for travelers.

“This new design represents our guests’ changing tastes and demand for a more inviting, upscale dining experience,” said Paul Sweeney, New Castle McDonald’s Owner/Operator. “Diners who want to eat in will enjoy the comfortable dining room design, while diners on-the-go can get their meal and back on the road more quickly than ever with the addition of the double-lane drive thru.”
