Local McDonald's to Undergo Renovation

CONNELLSVILLE, PA (October 5, 2011) – This week the local Connellsville McDonald's® restaurant began a major renovation. By mid-November, local customers will be treated to a brand new dining experience when the restaurant renovations will are expected completed.

The renovation will include an entirely new and expanded interior and exterior design to go along with the new contemporary McDonald's look happening across the country. The interior will be expanded to offer additional seating and the new layout will be designed to increase convenience for diners. It will offer new comfortable style seating options, flat screen televisions and brand new restroom facilities. The dining room will be furnished with a modern look decorated with local historical pictures.

The outside is also receiving a makeover and will feature a newly finished stone exterior and modernized building shape complete with fresh landscaping. The PlayPlace will also be updated with tables added.

“This new design will represent our guests’ changing tastes and demand for a more inviting, upscale dining experience,” said Debbie Tate, Connellsville McDonald’s Representative. “The décor will offer a relaxing atmosphere that complements our outstanding customer service.”

The restaurant will not only boast a modern design, but will also be equipped with the latest equipment technology ensuring fast and efficient service. The side-by-side drive thru service will be re-positioned to allow for a more convenient process for customers on the go. Customers will also be able to utilize the restaurant for connecting to the Internet with the free Wi-Fi that is available throughout the dining room.

“Diners who want to sit down and relax with their meals will enjoy the local décor and expanded dining room, while travelers can grab a bite and get back on the road more quickly with the new positioning of the side-by-side drive thru,” said Tate.
